

POWER RANGERS HEADQUARTERS

INTERNAL DOCUMENT — LEVEL 2 ACCESS

Document Title: FIELD OPERATIONS BRIEF — YELLOW RANGER

Document ID: PRHQ-OPS-0427-YR

Date: 07/12/2025

Prepared By: Operations Division

SUMMARY:

This document provides updated operational directives for the Yellow Ranger regarding patrol responsibilities, communication protocols, and current field awareness.

1. PATROL PRIORITIES:

- Maintain surveillance over Sector 4B (East Ridge District).
- Report unusual Morphin Grid fluctuations immediately.
- Avoid direct engagement unless threat level exceeds Delta-Class.

2. EQUIPMENT STATUS:

- Yellow Ranger's Morpher: Fully operational.
- Sidearm: Energy output within acceptable range.
- Auxiliary Gear: Updated nano-armor plates installed.

3. ACTIVE THREAT INTELLIGENCE:

- Minor Puttie activity detected near the outskirts.
- No confirmed sightings of high-level enemy commanders.
- Recommend heightened awareness during solo patrols.

4. TEAM COORDINATION:

- Maintain open communication with Red and Blue Rangers during peak patrol hours.
- Participate in scheduled training simulation at 1800 hours.

5. NOTES:

This is a routine operations document. No immediate high-risk alerts issued.
